► Description

The ESD-501 is part of Sloan's new line of matching combination soap dispensers and faucets. They are easy to order kits for any bathroom. The soap dispenser uses a replaceable soap refill bottle with easy release collar for fast soap refill changes. The sensor technology offers a hands-free operation by delivering a pre-measured foam soap application "on demand". The faucet is Sloan's EFX250.500.0000. The ESD-500 is also available for sale without faucet.
