KurbIT!

Add our proprietary low profile curb to any KurbX system to create a curbed shower.

BENEFITS AND DETAILS

KurbX® Curbless and Curbed Shower Systems

✓ **QUICK & EASY ASSEMBLY**

Simple, 3 part screwless drain assembly is self contained.

✓ **NO MORTAR REQUIRED**

No mortar required for most pan installations.

✓ **IDEAL FOR MULTIPLE INSTALLATION TYPES**

Direct to joists, solid wood substrates, concrete slab and 2nd floor & higher concrete.

✓ **10 YEAR WARRANTY**

System carries a standard 10 year limited warranty.

✓ **LUXURY MEETS FUNCTIONALITY**

Clean curbless look with precision engineered gradients / slopes.

✓ **CURBLESS OR CURBED**

Add a proprietary low profile curb to any curbless KurbX system to create a curbed shower.

- All pan sizes can be cut to any shape or size on site or place them side by side for large showers.
- Structural pans can span 16" OC joists making curbless installs easy and cost effective.
- No thinset required for pan installation on wood substrates.
- No special thin-set or grout required for small mosaic tile installations
- Ideal installation can be ready for tile the same day.
- Can be installed during rough framing phase of construction.
- Unique, textured pan surface provides superior waterproofing adhesion.
- Drains are centered in pan for optimal design orientation making large format installations flawless.
- Drain connection to the pan is self contained which removes the need for any additional waterproofing or gaskets.
- System is compatible with any size or style of solid surface floor covering or heating application.
- Highly competitive pricing in both curbed and curbless shower markets.

SHOWER PANS

KurbX® Customizable Structural Shower Pans

KurbX structural pans can be set to any substrate

APPLICATION

CURBLESS

CURBED

- Perfect for curbed or curbless installations.
- Sets directly to joists, solid wood substrates and concrete.
- Pans can be cut to any size on-site.
- Unique high grade SMC formulation.
- Cross linked rib design provides superior strength while reducing carry weight.
- Computer aided cellular structure design.
- Thin profile - only 15/16" thick at perimeter.
- Pre formed fixing holes for fastening pan to substrate.
- Precision engineered slopes to ensure proper water drainage.
- Centered drain for aesthetically pleasing finish with large or small format tile.
- 100% recyclable.

SHOWER DRAINS

KurbX® 4" Square Drain Assemblies

Our solid 304 Stainless Steel grate and frame provides strength and durability without compromising design. KurbX will soon offer 4 grate finishes to meet the aesthetic eye of both the designer and homeowner.

✓ **LIFETIME
GUARANTEE**

Drain Grates & Assemblies

✓ **10 YEAR
WARRANTY**

Drain Connectors

- Our snap in grates set firm but remain easy to remove for cleaning using the provided grate key. The threaded throat has been manufactured with precision to ensure a perfect fit with the KurbX drain waste connector every time.

Our threaded drain throat provides a height adjustment which accommodates floor coverings that range in thickness from 1/4" to 1 1/4". Plenty of height adjustment even when combining heated floor systems and thicker floor coverings.

SHOWER CURBS

KurbIT® - Low Profile Shower curbs

APPLICATION

✓ CURBED

Simply add a **KurbIT® shower curb** to any pan to create a beautiful curbed shower

- KurbIT shower curbs are made of strong, high density EPS foam (3.25 psi)

We've combined our 2' & 3' curbs to create 4', 5' and 6' curbs. For larger showers, simply add the necessary individual curb sizes to achieve your desired curb length.

They are specifically engineered to fit the pan at the floor creating a straight, low profile curb that is easy to install, waterproof and tile.

Liquid Waterproofing Pail

Approx. 100-110 sq. ft. Coverage

| SEELIT-SOLO-2GAL

1/2 Gallon - SEELIT®

Liquid Waterproofing Pail

Approx. 25-30 sq. ft. Coverage

| SEELIT-SOLO-1/2GAL

- Ready to use liquid latex waterproofing and crack prevention membrane specifically formulated for use beneath commercial and residential tile and stone interior and exterior applications. SEELIT Liquid Waterproofing elastomeric properties reduce the risk of substrate cracks transferring to finished tile and stone flooring while providing a continuous moisture barrier for wet areas.

Dry time is typically 1 hr depending on room conditions.

LIMITATIONS: Do not apply to concrete where hydrostatic pressure is present. Do not use as adhesive. Membrane must be covered by finish flooring. Do not use to bridge existing expansion joints. Follow TCNA guidelines for deflection criteria on wood substrate.

USE ON: Use SEELIT® - Liquid Waterproofing on concrete (porous, non porous or light weight), gypcrete, OSB, existing vinyl, epoxy coatings, glazed or unglazed existing tile, natural stone, yerrazzo, PVC, steel, aluminum, stainless steel, adhesive residue, cement backer boards and polystyrene foam.

STEP-BY-STEP ORDERING GUIDE

Curbless and Curbed shower installation kit from start to finish

Kurbx offers all products and installation packages needed for a complete shower system. Follow the steps below to pick the right products for your project.

STEP 1

Choose a shower pan

PAGES 5-6

All shower pans can be cut to size or the pitch of the pan can be extended. Cutting the pan is usually the best option.

2 or more pans can be installed together to achieve larger showers but remember to order 1 drain assembly and 1 installation package per pan.

STEP 4

For a curbed shower, choose a curb(s)

PAGES 13-14

All KurbX shower curbs are 2' & 3' in length. We've combined the 2' & 3' curbs to create 4', 5' and 6' curb packages.that also include 1 set of curb covers for waterproofing and tile spacers for setting the curb in thin-set. You can order additional curbs to create any length you need.

STEP 2

Choose an installation package

PAGES 7, 8, 9 & 10

STEP 5

Choose a Waterproofing Kit

PAGES 15-16

STEP 3

Choose a drain assembly

PAGES 11-12

STEP 6

Choose any additional waterproofing items

PAGES 17-18

WARRANTIES AND CONDITIONS

Legal Agreement

WARRANTIES AND OBLIGATIONS

KurbX warrants to Buyer that it holds and will pass marketable title to the goods sold hereunder. Certain of KurbX products come with a Limited Warranty. IF Buyer is not the end user of the of the goods sold hereunder, Buyer agrees to provide to any immediate buyer (Remote Purchaser) the Limited Warranty and Disclaimer to End-Use (Remote) Purchasers issued by KurbX for the Limited Warranty applicable to KurbX's products. Please refer to KurbX's published literature that accompanies or relates to those products. Any remedies stated in such warranties are the exclusive and only remedies provided by KurbX for the breach of Warranty. Certain of KurbX's Limited Warranties exclusive coverage for any product that is moved to a new location. KurbX's products should never be reused without prior written consent by KurbX.

EXCLUSIONS AND CONDITIONS

KurbX's obligations with respect to the express warranties and remedies contained herein are conditioned on the following: (i) Buyer's return of nonconforming goods, if authorized by KurbX (excluding freight and labor) and (ii) be installed by individuals trained and certified as a professional with respect to such installations and be installed, used, repaired and maintained by Buyer and Remote Purchaser in accordance with KurbX's warnings and instructions, National, State and Local codes or regulations.

DISCLAIMER OF IMPLIED WARRANTIES

KurbX gives no warranties to Buyer except those expressly contained herein. KurbX disclaims all other warranties implied by law, usage of the trade, course of dealing or course of performance including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose.

INDEMNIFICATION

Buyer agrees to indemnify, hold harmless and defend KurbX from and against all claims and lawsuits, including attorney's fees, to the extent of the Buyer's negligent acts or omissions to act cause injury, damage or loss to customers of KurbX's products.

LIMITATIONS OF LIABILITY

The following limitations of KurbX's liability are acknowledged by the parties to be fair and reasonable and shall apply to any act or omission hereunder, and to any breach of this contract of which these terms and conditions form a part.

DISCLAIMER OF DAMAGES

In no event shall KurbX be liable for special, indirect, consequential or incidental damages whether arising under contract, warranty, tort, negligence, strict liability or any other theory of liability. Such damages include, but are not limited to, loss of profits, loss of use of the goods, damage to property and claims of third parties.

REPLACEMENT OF PARTS/ADAPTORS

Buyer acknowledges that if KurbX supplies parts and/or adaptors, and Buyer replaces a part or adaptor produced by another manufacturer, then all of KurbX's warranties to Buyer and to Remote Purchaser will be voided and Buyer will assume all liability for any damage, injury or loss suffered by Remote Purchaser arising out of this unauthorized modification.

NOTICE OF TIME OF CLAIMS

Buyer agrees to inspect all products against shipping papers and for damage or shortage upon receipt of goods at destination and every claim for loss, damage in transit, or other cause visible upon inspection shall be made with carrier. Claims of shortage must be made within 5 days of receipt.
