

SharkBite EvoPEX™

Ball Valve

SharkBite™ EvoPEX fittings are designed for use with PEX and PE-RT tubing and are engineered as a more efficient alternative to tool-based pipe joining methods. Made in the USA, SharkBite EvoPEX fittings have a 25-year system warranty when used with SharkBite PEX tubing. SharkBite EvoPEX fittings are permanent connections, can be rotated after assembly and have a green indicator ring that confirms the proper tubing installation depth.

Approved Applications

Residential and commercial potable water, recirculation, hydronic heating/cooling (up to 100% glycol concentration) and direct burial.
